FALL SEASONS KICK-OFF WITH A BANG

2010

THE 1979-80 GREEN WHITE CHAMPIONSHIP RESERVE SQUAD. HOW MANY DO YOU RECOGNIZE? THE ANSWER IS ON PAGE 18.

FIRST TEAM - FALL SEASON PREVIEW

Quite a bit has happened since the close of the 2009 - 2010 Metropolitan League season. For starters, AAC Eagles finished atop the leader board, edging out Schwaben AC by one point to claim the championship. At the other end of the table, SC Lituanica finished dead last and was subjected to automatic relegation. Coming up to replace them in the Major Division was First Division Champions, International. The remaining spot in the Major Division for the 2010-2011 season was determined in a play-off between second from last in the Major Division (Vikings) and the runners-up from the First Division (Connection), which was won by Connection SC in a 5-1 drubbing. But just as the divisions were being realigned, word came that Maroons, who finished last season tied on points in the middle of the pack with Green White, had decided to sit this season out; somehow doing so in a manner that reserved their place in the league for the season after next. (Note: Next year's league meeting should be interesting when Maroon make their return. Will they come back in the First Division or claim a right to a spot in the Majors? If it's the later, who gets demoted? To be certain, these are the questions that will be asked.) In any event, Maroons' exit meant that Vikings was suddenly back in the Major Division. For Green White faithful, the scenario must have seemed like déjà vu all over again. The only exception being

that in both the 2007-2008 and 2008-2009 seasons, GW was the relegated/reinstated team; first in '08 when Wings elected to stay in the First Division despite winning promotion and then in '09 when Polonia folded after GW lost the end of season playoff game to SC Lituanica. And so goes the saying, sometimes it is better to be lucky than good.

The First Team was scheduled to kick off the 2010-2011 season on August 29th, but the game was postponed at the request of HNK Zrinski. Still the rest of the league started the season and in other Metropolitan League, Major Division action on August 29th: United Serbs 1 - Eagles 0; International 1 - Vikings 0; Schwaben 5 - Connection 1; Sockers - Belgrade (*rescheduled*).

Expected to see action with the First Team this fall are **Eric Spiess, Sean Connor, AJ Nawrocki, Jason Okroy, Anthony DeRose, Matt Connor, Jamie Limna, Jimmy Romano, John Collins, Danny Caruso, Asher Mendelsohn, Brady Hyde, Niko Voules, Nick Dudziak, Brendan Connor, Brandon Hardy and Colum Donahue**. RESERVE TEAM - FALL SEASON PREVIEW

The Metropolitan League reserve teams also saw some changes over the summer. At the beginning of last season, Vikings initiated a proposal that the league do away with reserve teams all together. A special sub-committee was formed to look at the idea, but it was ultimately determined that reserve teams

GREEN WHITE SC “PLAYER” PROFILE: STEVE PASTORELLI

NICKNAMES: “PASTA” **DOB:** 1/3/45 **PLACE OF BIRTH:** BITRITTO BARI, ITALY **OCCUPATION:** PRINTER (RETIRED)

HOW I CAME TO GREEN WHITE: I IMMIGRATED TO THE UNITED STATES IN THE SPRING OF 1961, JOINING THE REST OF MY FAMILY IN CHICAGO. BEING OF ITALIAN DECENT, I OF COURSE, HOOKED UP WITH THE MAROONS AND PLAYED FOR THEM AS AN ATTACKING WINGER IN 1963-64. I THEN STARTED A 45 YEAR CAREER WITH DELUXE AS A PRINTER. WORKING NIGHTS CURTAILED MY SOCCER PLAYING CAREER, BUT I NEVER LOST THE PASSION FOR THE GAME. I WAS DRAFTED INTO THE ARMY IN 1966 AND SERVED A YEAR LONG TOUR OF DUTY IN VIETNAM AS A MEMBER OF THE RECON PLATOON OF THE 4TH INFANTRY DIVISION. THERE WAS NO TIME FOR SOCCER BACK THEN AS WE SPENT MONTHS AT A TIME ON ADVANCED PATROLS IN SEARCH OF ENEMY POSITIONS. IT WAS A TOUGH TIME, DURING WHICH I ACHIEVED THE RANK OF SERGEANT; RECEIVED A PRESIDENTIAL CITATION; THE VIETNAM MERITORIOUS SERVICE METAL AND A PURPLE HEART. (DON’T ASK). UPON MY RETURN TO THE STATES, I GOT MARRIED AND SETTLED DOWN TO START A FAMILY. UP TO THAT POINT, I’D NEVER HEARD OF GREEN WHITE. MY FIRST INTRODUCTION TO THE CLUB CAME WHEN MY OLDEST SON, MICHAEL, PLAYED IN 1983-84 AND WAS COACHED BY WALTER MELCHER AT THE U14 LEVEL. MICHAEL MOVED ON TO PLAY HIGH SCHOOL SOCCER AFTER JUST ONE YEAR WITH THE CLUB, BUT I LIKED WHAT I SAW. WHEN MY YOUNGER SON, ANTHONY, BECAME INTERESTED IN SOCCER, AND REFUSED TO PLAY FOR THE MAROONS, WE CAME STRAIGHT BACK TO GW. I COACHED ANTHONY AND THOSE GW TEAMS FROM 1986 TO 1996 (U10 – U18). ONE OF THE HIGHLIGHTS, WITHOUT A DOUBT, WAS THE TEAM’S 1989 TOUR OF GERMANY THROUGH TOWNS LIKE HANNOVER AND SCHAUMBURG. OUR U13 KIDS HELD THEIR OWN AGAINST THEIR GERMAN COUNTERPARTS, GOING 2-1-1 ON THE CAMPAIGN. WE SEEMED TO DO BETTER IN THE SECOND HALVES. PERHAPS IT WAS BECAUSE THE GERMAN YOUNGSTERS REPLENISHED WITH SWIGS OF BEER AT HALF TIME. IT MAY HAVE BEEN NORMAL FOR THEM, BUT WAS NOT EXACTLY AN ACCEPTED PRACTICE IN OUR PROGRAM. ANOTHER HIGHLIGHT WAS WHEN OUR KIDS PRACTICED WITH MEMBERS OF THE MEN’S U.S. NATIONAL TEAM IN THE BUILDUP TO THE 1994 WORLD CUP. AFTER MY KIDS STOPPED PLAYING SOCCER, MY INVOLVEMENT WITH THE CLUB CONTINUED. I HAVE BEEN A MEMBER OF THE YOUTH BOARD FOR 16 YEARS AND HAVE SERVED AS THE CLUB’S EQUIPMENT MANAGER FOR JUST ABOUT AS LONG. I WAS ALSO A LONG TIME MEMBER OF THE JUDICIARY COMMITTEE AND ASSISTANT CLUBHOUSE MANAGER. LAST YEAR, I ACCEPTED THE POSITION OF CLUBHOUSE MANAGER. BESIDES MY CHRISTMAS MASTACCOLLI, PERHAPS MY GREATEST CONTRIBUTION TO THE CLUB WAS MY DECISION AS EQUIPMENT MANAGER TO CHANGE THE TEAM KITS FROM THE TRADITIONAL “KELLY GREEN” AND WHITE TO THE CURRENT “FOREST GREEN” AND WHITE. AT THE TIME, THE DECISION RAISED A FEW EYEBROWS WITH THE ELDERS, BUT EVERYONE THANKS ME NOW. IF NOTHING ELSE, I AM A FASHION ICON. 27 YEARS LATER, I’M STILL WITH THE CLUB. NOT BAD FOR A GUY WHO NEVER PLAYED.

FUTURE FOR GREEN WHITE: I LOOK FORWARD TO SEEING THE CLUB CONTINUE TO GROW AND HOPEFULLY PRODUCE MORE COMPETITIVE TEAMS.

were an important aspect of the Metropolitan League and should stay. Nonetheless, Vikings claimed poverty and petitioned the league for a leave of absence for their reserve team. Despite league by-laws and the recommendations of the special sub-committee, the league granted the petition, which means Vikings are saved the expense of reserve team referees, player registration and field rental fees for the 2010-2011 season. In essence, Vikings are now a First Division team playing in the Major Division.

Like the First Team, the Reserve Team's opener against Zrinski was postponed. In other Metropolitan League, Reserve Team action on August 29th: United Serbs - Eagles (*not reported*); Schwaben 3 - Connection 5; Sockers - Belgrade (*rescheduled*); International (*bye*).

Expected to see action with the Reserve Team this Fall are **Tom Czop, Rob Czop, Jon Duddles, AJ Nawrocki, Brandon McLemore, Mike Magner, Chris Salatino, Neamen Lewis, Nick Kowalski, Nate Walker, Kyle Annerino, Mel Qoku, Chris Doran, Adam McLemore, Mitch Lechowski, Ben Reeves and Kurt Melcher.** The remainder of the Reserve Team's fall schedule is as follows:

- 09/12 - v. Sockers FC @ 1:00 p.m.
- 09/19 - at Vikings AA (no game)
- 09/26 - v. Belgrade @ 1:00 p.m.
- 10/03 - at United Serbs @ 1:00 p.m.
- 10/10 - v. International @ 1:00 p.m.
- 10/17 - at Connection SC @ 1:00 p.m.

OVER 30 TEAM - AUGUST RECAP

 **1:2**  On August 14, 2010, the GWO30 Team opened the 2010-2011 Metro League season against Lions under hot and muggy conditions. It also did not help that field was uncut and unlined for the match, forcing several early arrivals into field maintenance rolls. And for the trifecta, GW was thin for the match due to late scratches from **Rob Czop** (injury) and **Les Rebbeck** (virus). Still, GW started the match well and held a lot of the possession with some nice passing combinations and movement. The best GW opportunity of the first half came with **John Parsinen** held in position in the penalty area as he received a looping pass into the box. As the service arrived, **Parsinen** was knocked off ball seeing it fall to **Derrick Wilkinson** who had broken in from the wing. **Wilkinson** was unfortunate to have his shot carry wide of the goal. The GW back line of **Pat Palbicke, Parsinen, Chris Wixson, and John Sedej** was solid and able to thwart most of the advances from the Lions. The game remained deadlocked at the half; but GW lost their lone substitute when **John Sedej** had to leave early for a young republicans meeting. The second half was one of frustration for the home side. Lions scored first on a suspected off-sides play. Later, **Gabby Sepiashvili** came up big on a free kick from 22 yard out, parrying the strong shot away to keep the Lions from extending their lead. As the legs began to tire, GW was caught out of position and the Lions held possession along the top of the 18 yard box long enough to set up a good

shot. **Gabby** got a hand on the ball, but not enough to keep it out of the net. Down 2-0, GW worked to cut the deficit and were finally rewarded when **Chris Mortonson** played into **Keith Andersson** inside the Lions penalty area. Patiently, **Andersson** dropped the ball back to a supporting **Scott Walz** who took a couple touches, drawing in the Lions defense before playing square to **Greg Boltz** who fired a line drive into the upper corner of the net. Although the goal gave the squad a bit of a lift, GW was unable to score again and the game ended 2-1 to the Lions. (Reported by *Greg Boltz*).

Squad: **Keith Anderson, Greg Boltz, Brett Lasher, Chris Mortonson, Pat Palbicke, John Parsinen, John Sedej, Gabby Sepiashvili, Axel Vega, Scott Walz, Derrick Wilkinson, Chris Wixson.** Goals: **GBoltz** (Asst. **SWalz**).

In other Over 30 Metro League action on August 14, 2010: Lightning - Sockers (*postponed*); Schwaben - Highlander (*postponed*); Vikings - Liths (*postponed*); Concordia 2 - Calisia 2; Eagles 5 - United Serbs 1.

 **2:1**  The tail end of the summer vacation season again caught the GWO30 team short of players for their August 21, 2010 away match at Highlanders. Thankfully, the side found reinforcements from the O40 ranks, who were without a game because their opponents decided to hit a Polish festival in the city. Truth be known, Highlanders were once a predominantly Polish team themselves, but are now a cosmopolitan group; which explains why they skipped the festival in favor of a date with GW. As the game got underway, GW dominated possession but found it difficult to finish the attack due to a compact field and long grass. Unfortunately, Highlanders were gifted the opener midway through the first half when **John Parsinen** headed back a harmless long ball, thinking his goalkeeper was at home to collect the back pass. Unbeknownst to him, **Gabby Sepiashvili** was positioned just outside the near post as the play developed up that side of the field and he was unable to react in time to stop the ball from rolling into the net. Undaunted by the setback, GW continued to take the game to the opponent. **Rob Czop** came very close with a half volley off a deflected shot, but his effort struck the flat goalpost and bounced away harmlessly. Confidence remained high at the half as GW watched the hosts begin to fade. Midway through the second half, GW finally got on the board with some sharp passes through the midfield that sliced open the tiring Highlanders defense. **Dan Briggs** received a pass outside the center circle and picked out an open **Greg Healy** on the right wing. **Healy** darted into the penalty area for an angled shot that deflected to an on rushing **Rob Czop** who calmly tucked the ball into the far side of the net to even the score. Not long after that, GW struck again on an in-swing from **Briggs** that found **John Dunkas** lurking at the back post. **Dunkas** snapped the ball downward with a powerful header just inside the post to put the side up 2-1. The game saw one final good scoring opportunity when **Pat Palbicke** had

a ball skip off his shin toward his own net. Thankfully, **Gabby** was right there to smother the errant ball and seal the victory. *(Reported by Greg Boltz).*

Squad: **Greg Boltz, Dan Briggs, Rob Czop, John Dunkas, Greg Healy, Rich Moroney, Dave Nichols, Pat Palbicke, John Parsinen, Nick Paul, Les Rebbeck, Gabby Sepiashvili.** Goals: **RCzop** (Asst. **GHealy**), **JDunkas** (Asst. **DBriggs**).

In other Over 30 Metro League action on August 21, 2010: Liths 0 - Schwaben 2; United Serbs - Vikings (*postponed*); Calisia - Lightning (*postponed*); Eagles - Sockers (*postponed*); Lions 0 - Concordia 3.

The August 28, 2010 GWO30 match against SC Lituania was continued to another date. However, in other Over 30 Metro League action on August 28, 2010: Eagles 2 - Calisia 1; Highlander 2 - Lions 2; Lightning 2 - Concordia 5; United Serbs 1 - Schwaben 1; Vikings 3 - Sockers 3.

OVER 40 TEAM - AUGUST RECAP

2:2

The Green White Over 40 Team opened the 2010-2011 season in smashing fashion against Olympics on August 18th. GW lit the lamp just five minutes into the match when **Chris Wellman** picked out **David Nichols** up top. With time to take a touch, **Nichols** slotted the keeper for the 1-0 lead. But Olympics struck back on the 25 minute mark off a well taken free kick. The match remained tied through the half. Following the intermission, **Wellman** got caught in possession in the back and saw the resulting break away put Olympics up 2-1. But GW was determined not to go down against one of last season's cellar dwellers and picked up the tempo to ultimately find the equalizer off a **Joel Meadow** punt, of all things. The clearance sailed high and long; took a big bounce over the defense, and allowed **Greg Healy** to run on to it, round the keeper and tap in to knot the score. In the closing minutes, GW were unlucky not to collect all three points when **John Dunkas** was denied by the cross-bar off a **Jusef Muratovic** cross. *(Reported by Fritz Schneider).*

Squad: **Roni Arusi, David Breines, John Dunkas, Mike Grosse, Greg Healy, Joel Meadow, Rich Moroney, Jusef Muratovic, David Nichols, Steve Schmidt, Todd Schneider, Mark Stein, Jason Thodos, Taso Triantafillidis, Chris Wellman, Mark Wisnevit.** Goals: **DNichols** (Asst. **CWellman**), **GHealy** (Asst. **JMeadow**).

In other Over 40 Metro League action on August 14, 2010: Schwaben 4 - Cracovia 2; Concordia 1 - Highlander 1; Rams - Eagles (*ppd*); Connection 4 - Wings 3; Liths 5 - Youths 1; United Serbs - Hrvat (*ppd*).

The August 21, 2010 GWO40 match against AAC Eagles was postponed at the request of the Polish team. In other Over 40 Metro League action on August 21, 2010: Wings 3 - Olympic 6; United Serbs - Highlander (*postponed*); Schwaben - Rams (*postponed*); Cracovia - Liths (*postponed*); Hrvat - Connection (*postponed*); Youths 1 - Concordia 10.

On August 28th, the GWO40 Team welcomed Schwaben AC to Metro-Majewski Park. In a prophetic moment before the match got underway, the referee approached **John Dunkas** and **Todd Schneider** requesting that the home team keep their heads during the game because, “This Schwaben team is nuts; the only team in the league that is certifiably crazy.” Once the game got underway, GW were first to get on the board when **Russell Rosenberg** served into a mambo line across the top of the Schwaben box. At the back of the line was **Greg Healy** who took it down on his chest and roofed the keeper for the 1-0 lead. But before the half, the defense drifted away from their marks at the back line and Schwaben countered from deep in their zone to spring a break away to equalize. That is the way it finished at the break. And then things got out of hand. First, **Mike Grosse** and **Dan Rogan** teamed to deny a Grecian Formula-ed Schwaben forward from advancing inside the box. As the ball rolled over the end line for a goal kick, the Schwaben forward literally bowled over **Grosse** like a tackling dummy as “The Manatee” was rising to his knees. The referee brandished a straight red, which was a good thing because it allowed the Schwaben forward time to go home and touch up his roots. But he refused to leave the field, instead choosing to engage every player on the field with his puffery and a tirade of profanity. When he reached the sidelines, he continued his shameless antics and the **Nash** family learned a few new words as they were caught in the verbal cross-fire. Near the end of time, another Schwaben forward was ejected when he took exception to a clean slide tackle from **Todd Schneider** with a feigned a kick to the head, followed by a little spitting. In the end, the teams learned from this game that class and composure are not exactly descriptive of this Schwaben side. (Postscript: The ejected Schwaben players received 3 and 6 game suspensions from the league.) (*Reported by Fritz Schneider*).

Squad: **Roni Arusi, John Dunkas, Mike Grosse, Greg Healy, Joel Meadow, Rich Moroney, Jusef Muratovic, Pat Nash, Dan Rogan, Russell Rosenberg, Todd Schneider, Grant Smale, Mark Stein, Jason Thodos, Taso Trianatfillidis, Paul Weaver, Mark Wisnevit.** Goals: **GHealy** (Asst. **RRosenberg**).

In other Over 40 Metro League action on August 28, 2010: Connection 5 - United Serbs 1; Liths 0 - Rams 3; Youths 2 - Highlander 3; Wings 2 - Eagles 1; Olympic - Hrvat (*postponed*); Concordia 3 - Cracovia 1.

JERSEY MIKE'S - MUCH RESPECT!

The remainder of the Over 40 Team's fall schedule is as follows:

- 09/18 - at Wings @ 5:00 p.m.

WINGS' BARABOO TOURNAMENT

On August 7th, **Keith Andersson, Roni Arusi, Greg Boltz, Art Caliskan, John Dunkas, David Nichols, Pat Palbicke, Dan Rogan, Russell Rosenberg, Kurt Schultz, Gabby Sepiashvili, Jason Thodos, Chris Wixson and Dusty Wolff** banded together for the Wings' Baraboo Tournament. As reigning champions of the Over 40 Division, GW had designs on defending their crown.

After a very slow start against a shortened Cracovia side, GW tried several times in vain to notch a goal in the first half. The second half proved different as GW finally started to get into a rhythm and came very close on numerous opportunities. **Greg Boltz** finally found the mark with approximately 10 minutes left in the match, receiving a crisp pass from the ever crafty **Dustin Wolff**. As the men in green continued to apply heavy pressure, the final goal was notch by **Keith Anderson** on a free kick. As **John Dunkas** shielded the keeper's vision, **Anderson** took the cue and drilled it low and hard for the unchallenged strike. (Reported by *John Dunkas*).

In game #2, GW came out strong against their often worthy Chicago opponent, Palatine Celtics, making sure that they knew we meant business. The first goal came in the first half when **Dustin Wolff** broke free of defenders and took a well placed ball from **Greg Boltz** down the right side. With **David Nichols** in close pursuit up the middle, **Dustin** moved towards the middle; feigned the keeper and unselfishly dished the ball to **Nichols** for the easy tap in. Celtics responded with a goal to notch the game at the half. In the middle of the second half, **John Dunkas** broke up a Celtic pass just inside the right corner of the box and drilled the ball into the side net past the stretched hands of Carlo Ruygruk (a former Green White player). Shortly thereafter, **Jason Thodos** put the icing on the cake with an unassisted scorcher that found the upper corner. (Reported by *John Dunkas*).

GW entered the final game of group play tied in the standings with their last opponent, Ukraine. As a result, a lot was riding on the outcome. Ukraine found the netting first on a defensive lapse that permitted their player to slip a ball past **Gabby "The Cat" Sepiashvili**. Still down a goal in the second half, the GW alte herren were not about to give up. With strong pressure on the Ukraine defense, chances were being created. Finally, **Dustin Wolff** broke free on the right wing and sent a hard chip to **John Dunkas** who headed the ball as he crashed the goal, sacrificing his jaw in the process when the keeper's attempted punch missed the ball and got the

jaw. With time running out, the match ended in a tie and the two teams finished level on both points and goal differential. However, Ukrainia advanced from the group and into the final based upon the second tiebreaker (goals for). For the record, Ukrainia lost in the final to Royal Wavel, a team that GW is known to crush a lot in league play. *(Reported by John Dunkas).*

GIRLS YOUTH TEAMS - FALL PREVIEW

Green White Emeralds (GU09)

Coach Kyle Perkins, Trainer Simone Lodge

The new U09 Green White Emeralds stated the season off by winning their division at the Buffalo Grove tournament the weekend of Aug 28 and 29th. The Emeralds have 7 players who are new to travel soccer including a 6 year old and two 7 year old players. You would not know by the way they played.

They rolled through their division winning all 4 games giving up only 2 goals for the tournament. They scored 21 goals giving up only those two. What was most impressive was their passing and talking on the field. They have come up with a way to call for a pass that is unique. If you get a chance to see the Emeralds play, pay attention to the talk on the field when they are calling for a pass. You will be in for a laugh and you may be treated to the "worm" by one of the Emeralds after a goal. *(Reported by Kyle Perkins).*

Green White Knights (GU10)

Coaches Doug Galloway, Mike Folkers, Trainer David Gibson

The Green and White Knights put in a solid performance in all 4 games played at the Buffalo Grove Kick-Off Classic. Their first match against current league rivals Spartan FC Premier was a hard fought defensive game with the Knights getting a well deserved goal while holding a clean sheet resulting in a 1-0 win. The second game was an equally close match with the Chicago Kickers that ended in a 3-2 victory for the Knights. The second day started with a tough match against the Park Ridge Firepower. Although the Knights held on to a 1-1 tie at halftime, Park Ridge was able to put two more in the net for a 1-3 loss for the Knights. After earning a 3-2 victory in the last game against Arlington Aces White Lightning, the Knights finished the tournament in 2nd place with a

3-1 record. Playing for the Knights were **Ashley Adams, Ally Block, Hailee Crawford, Claire Galloway, Natalie Krause, Alexa Mitka, Brynn Moran, Reilly Moran, Kristina Suto, and Marissa Valentin.** (Reported by Doug Galloway).

Green White Panthers (GU10)

Coaches Mike Folkers, Doug Galloway, Trainer David Gibson

The Panthers started off the year right at the Buffalo Grove Soccer Tournament. Although their first game had an 8am kick off it did not seem to phase the girls very much. The girls seemed to find their groove early and ended the game 9-3. During the second game the girls showed great defense and kept up the same offense to win 8-0; However the next day posed two great chal-

lenges. The first challenge was for the D league Panthers to face a C league team. This game was the second 8am kick off in the tournament and seemed to cause a bit of tiredness in the opening half. As the game went on the girls did everything asked of them. Although looking like the better team and having many chances, the ball was just not finding the net as they did the day before and ended the game in a 2-0 loss. As the other games in their division came to a close it was evident that the Panthers were in 3rd place by 1 point, and 2nd place currently belonged to their afternoon opponent, meaning a win would grant them a 2nd place finish. The opponent was a very physical team and the Panthers responded well and kept their composure and fought for every loose ball. The game was tied 1-1 with the minutes winding down, the Panthers found the net on a loose ball in front of the goal, and ended the game 2-1 and a 2nd place finish. Great ending to a great weekend. *(Reported by Mike Folkers).*

Green White Tornados (GU11)

A very promising start to the year for the Tornados at the BG tournament. The team opened up with a solid victory in game 1 holding their opponent scoreless while winning 2-0. The team competed hard in game two against a talented Evanston team playing their first game of the tournament. While getting down early 3 -0 the tornados settled down and played a more competitive second half. They continued to battle but eventu-

ally lost 5-2. Day two brought another 8 am start against the Arlington Aces. While coming out a little slow the Tornadoes woke up and played a very competitive game that ended in a well played 2-2 tie. The game saw some great goalkeeping on each side. It was a riveting finish that saw the Tornadoes place several shots on goal in the closing minute. While starting slow in game 4, it was full scale assault for the Tornadoes once the game faces were on. They battled back to a 2-2 tie at the half and dominated second half play for a 7-2 victory. The Tornadoes earned a third place finish in the BG tournament. Goal scoring was well balanced across the games with 6 different team members scoring. Passing, positioning and defense improved as the games progressed. Many positives for this new talented group of U11 girls. The Tornadoes are excited for league play to begin! Green White Wolves (GU13)

Coaches Greg LaCost, Rick Kolling; Trainer Luke Jones

This team is coached by **LaCost** and **Kolling** and trained by **Luke Jones**. This team had a successful season last spring and moved to the "big field" in the fall. Adding 5 new seasoned girls from both Aces and Sockers.

In preparation for the Elgin Back To School Classic, the girls had 5 days of training before the tournament. After digging a hole in the first game against Oak Forest 3-0, the spunky Wolves girls came back with 2 goals to end the game 3-2. In the second game against Synergy, the Wolves lost 2-1 after dominating the entire game. The two goals were break-a-ways after keeping the ball on the opponents side a majority of the time. This is one of those that the Wolves should have won, but the girls and coaches learned more things about themselves in the end. The girls got their legs under them by the third game and won easily 2-0. They played NIFC which they will play during the season. A good start for the Wolves. *(Reported by Greg LaCost).*

Green White Wildcats (GU15)

Coach Eric Eakin, Trainer Brandon McLemore

The U15 Wildcats kicked off the season with a hard earned 2nd place finish in the Kicker's United Back to School Classic Tournament in Elgin. Surviving injury and illness, they played without subs in two games and even played shorthanded for part of one. All the while, the Wildcats scored an impressive 15 goals over the four games spreading the scoring among 6 players. With no substitutes on the bench the Wildcats opened the fall season and tournament giving up two goals while playing shorthanded but managed to come back with 2nd half goals (**Carlson, Reese**) to tie TCSA Cyclones 2-2. With the arrival of 3 additional Wildcat players for the second game of the day, the Cheeky Girls from Yorkville proved no match for the Wildcats who controlled the game end to end and netted a 4-1 victory. Offense continued to power the Wildcats with 4 different scorers (**Niklewicz, Dieterich, K. Welk, Reese**) against the Cheeky Girls. The offensive show continued Sunday morning as Wildcats took the opening kickoff, and after three passes, the ball found the

back of the net. By halftime it was 4-0 and ended in a 7-0 rout of the West Chicago United. Once again scoring was spread around (**K. Welk, Reese, Niklewicz, Dieterich, Krawczyk**) and ended with a well placed corner kick that glanced off of a United player for an own goal. Throughout pool play, the defense (**Okon, Cortesi, M. Welk, Eakin, Makris, Rickett**) shut down the opponents and tallied their first shut out of the season. Goalie play was stellar (**Carlson, Brask**) giving up only one goal over three games when playing full strength. A special note goes to our U13 guest stand-in goalie (**Rickett**) who adapted nicely to the full sized goal in our opening game.

With two players lost to illness and a broken hand, the Wildcats advanced to the finals to take on the Marauders from Kalamazoo, Michigan. With one sub on the bench, the Wildcats jumped to an early 1-0 lead with a quick score (**Reese**). The aptly named Marauders utilized foul filled physical play and five extra players on the bench to wear down the Wildcats that netted the Marauders more yellow cards than goals. After giving up three goals, the Wildcats bounced back with a goal (**K. Welk**) to bring score to 3-2. The Marauders tallied a fine score at the end of the game for a 4-2 win. (*Reported by Eric Eakin*).

 **Green White Mean Green Fighting Machine (GU17)**
Coaches Greg LaCost, Pete Konar, Trainer Luke Jones

After having some training sessions with Coach **LaCost** and Coach **Konar**, the girls chose their name for the season: "Mean Green Fighting Machine." The girls are from 6 different high schools and have really come together. Their trainer, **Luke Jones**, who played semi-pro ball in England, came back from summer holiday in England and started working with the U16 Power and the U17 MGFM team. With a week of training with Luke, MGFM came in strong to the Elgin Back to School Classic, taking 2nd place in the end. In their first game of the tournament, MGFM beat NIFC 3-1 and WC United 1-0. The Defense initially lead by **Maigler** and **Potratz** really did a great job at slowing down the at-

tacks of our opponents. The mids worked tirelessly and the forwards were fast and creative. Goals were had by **Burgraff**, **Stepanovich**, and **Cerniglia**. MGFM had a good first half against McHenry in the finals until late in the first half a McHenry girl up-ended defensive mid **LaCost** for both a yellow card for McHenry and a trip in an ambulance for **LaCost** for a back injury. **LaCost** had a strain contusion of the back and neck and everyone is hoping for a quick recovery. The second half was less productive for MGFM with 2 goals against them, which ended the game. Stellar play by our goalie, **Gold**, (with multiple saves) kept the girls alive. The PK save was simply fabulous. Great showing for this new B level team. *(Reported by Greg LaCost)*.

GOLF OUTING. The 1st Annual Green White Golf Outing finally came off on August 15, 2010 after being rained out in July.

Participating in the first edition were **Pete Konar, Greg LaCost, David Gibson, Ron Andracki, Pat O'Malley, John Tunney, Jim Jahrling, Hans Metzinger Jr., Roland Hogg, Jim DuPont, Isabelle DuPont, Mike McGarry, Randy Bull, Bernie Czekajlo, Frank Maggio, Jamie Limna, Elizabeth Morris, Rob Stadler, Karl Scheer, Eric Spiess, Anthony Derosé, Jon Duddles, Danny Caruso, Jason Gould, Mike Kennedy, Carl Chomko, Josh Miller, Todd Schneider, Rob Czop, George Czop and Tom Czop.**

1st Place went to the team of **Gould/Kennedy/Chomko/Miller** who turned in a suspicious score card with heavy erasure marks to best all others at (-8). They were followed closely by the team of **McGarry/Bull/Czekajlo/Maggio** at (-6). The winning team received Warsteiner totes and \$25 gift certificates from European Sports. Several other awards were handed out on the day, including Longest Drive to **Jason Gould** and Longest Putt to **Bernie Czekajlo**. The Closest to the Pin contest was won by **Rob Czop** after the Tournament Committee turned away a vinegar filled protest from **Jon Duddles** who disputed the measurement and further claimed (without merit) that **Czop** had taken a mulligan on the hole. Participation awards were given to the foursome of **Andracki/O'Malley/Tunney/Jahrling** for reaching the clubhouse with a healthy (+16). **Mike Kennedy** got a red card from the starter, just for old-time sake. And finally, the Golf

is Expensive Award went to **Anthony DeRose** for the \$150 it cost him to retrieve the keys from inside his locked car.

Special thanks to **Tom Czop** for organizing the event; **Todd Schneider** for snapping photos, **Cindy Kaempfer, Hilde Kaempfer** and **Hans Metzinger Sr.** for preparing brats and Hungarians at the clubhouse for all and to **European Sports** for donating the winners' gift certificates.

POKER NIGHT. On August 28th, GW hosted another poker night. Most in attendance were novices so the play was friendly and patient. But eventually the field began to whittle. The first to go bust was **Fritz Spiess**, so he thereafter entertained the crowd with his version of the famous "fan dance" in a Las Vegas style review. It was not pretty. The final table included **Todd Schneider, Christy Rebbeck, Cindy Kaempfer, Rick Kaempfer, and Russell/Nathan Rosenberg**, with **Grant Smale** the chip leader and **Les Rebbeck** limping in on the short stack. Ultimately, **Christy Rebbeck** knocked out **Schneider** and **Rosenberg** as they prepared to split the pot; and **Cindy Kaempfer** knocked out **Smale** with a queen on the river that had **Smale** pulling his hair out. It came down to a shoot out between **Cindy Kaempfer** and **Les Rebbeck**, who had managed to fly under the radar while others fell by the wayside. But with **Kaempfer** all in, **Rebbeck** looked nervous, needing a 9 or 4 on the river to avoid seeing **Kaempfer** take a sizable chip lead that would surely mean the end for **Reb-**
